5th September 2017.

Dear Parents & Guardians,

Over the past three years many second level schools have been engaging in In-service for the implementation of the new Junior Cycle framework.

However, due to industrial action by the A.S.T.I. this did not happen in most voluntary secondary schools, including ours.

Therefore, we must immediately provide In-service for our staff and the Department of Education & Skills has given permission for us to take time to do this. **So our school will have no lessons for students on Monday next, the 11th of September 2017** as our staff will be attending In-service. Providing the required In-service will also mean closing the school on a number of other days during the year.

It is unfortunate that we will have this disruption to our classes during the year but it is very important that our staff are brought up-to-date on the provision of the new Junior Cycle framework.

Thank you for your continuing support.

Yours sincerely,

Frances Threadgold,
Principal.
