Third Year Exams/Assessments & Other Areas of Learning 2022/2023

Dear Parent/Guardian,

The following arrangements are in place in FCJ Secondary School for third year exams/assessments in the current academic year:

In light of school closures over the past two academic years the NCCA have published revised arrangements for current 3rd year students 2022/2023.

- Revised arrangements (NCCA):
Classroom Based Assessments are following the schedule as outlined in the enclosed document.
Third year students will not be required to complete Assessment Tasks in 2022/2023.
- Mock Examinations February 3rd – 10th as per school calendar.
- State Exams

Other Areas of Learning

Students are encouraged to engage in school related activities outside of the classroom. In addition to the CBAs and formal State examinations, engagement in these other areas of learning can be reported on the students Junior Cycle Profile of Achievement which will be issued to all students in the year following completion of the Junior Cycle.

Please find enclosed schedule for completion of CBAs 2022/2023 and the FCJ Policy Document relating to same.

An online parents' information evening took place on October 18th. In light of the fact that a number of parents were unable to attend, a voice recording of the presentation will be placed on the school website following the mid-term break.

It is imperative that students and parents/guardians note the dates of CBAs and assessments and ensure attendance within the set timetable. Students must take personal responsibility during any absence to keep up to date with work. We would appreciate that you support your son/daughter and the school in ensuring all deadlines are met as outlined.

Yours sincerely,

Brendan Daly
Principal

FCJ School Policy around Classroom Based Assessments (CBAs) and Assessment Tasks (ATs)

- As CBAs are reported on in each student's Junior Cycle Profile of Achievement (JCPA) it is vital that students and parents/guardians note the dates of the CBAs and do their very best to ensure student's attendance within the national set timetable. Parents/guardians are encouraged to schedule essential appointments outside of school time where possible.
- FCJ realises that students may have to attend important extra-curricular school events during the CBA timeframes. In this instance students must take responsibility on themselves to catch up on any work missed due to such absences. It is the responsibility of the student to notify their teacher of such an absence in advance.
- Students should note that while they will be allowed to attend important school extra-curricular activities during the CBAs, they must attend for their Assessment Tasks.
- Where a student is absent, under exceptional circumstances, for the completion of all or part of the Assessment Task, FCJ will make arrangements to allow the student to complete the task as close as possible to the timeframe scheduled for completion. Such students can be expected to furnish the school with a doctor cert or other relevant documentation.
- Only work that is the student's own can be accepted for assessment in the JCPA.
