

Fifth Year
Book and Stationery List
2024/2025

**Each 5th Year student must purchase an F.C.J. Journal, Studyclix, Locker Rental & Phone Locker
This will be payable through VSware**

In light of the fact that many of our senior students sign up to Studyclix, which costs €49.99 for access, the school now purchases a licence which allows all of our senior students to access it for the reduced cost of €20 for the academic year, to June 30th. This payment gives them access to Studyclix Plus. This will be payable through VSware along with the payment for the journal, locker and phone locker. Studyclix codes will be assigned to students in September.
