All books, copy books and equipment must be clearly labelled with the student's name and class. Pre-printed colour coded labels will be provided for all students.

In the interest of organising and protecting their books and copies students will use a separate mesh wallet for each subject. The textbook, exam papers and copies relating to a particular subject are kept together in a single labelled wallet with a separate wallet designated for each subject. All mesh wallets must be labelled with student name, class and subject.
