

Chromebook Purchasing – June 2026

Reminder to those entering 2nd and 4th year (TY), as well as those going straight into 5th year in September 2026, that the online stores for purchasing Chromebooks close this month (dates below).

2nd Year 2026-2027

Supplier: Eduvolve

Deadline 30th of June 2026

Information Pack: [Click Here](#) (or see school website)

4th Year 2026-2027

Supplier: Wriggle Learning

Deadline 21st June 2026

Information Pack: [Click Here](#) (or see school website)

Both companies provide a touchscreen ASUS device with very similar specifications, with the 2nd year device having more memory, and 5 years of support, warranty, and accidental damage cover included. New for this year, is that the TY device is now covered for 3 years of accidental damages to see the student through TY and their Leaving Certificate.

Please note: if a family have to purchase more than one Chromebook, they will only pay the support fee to the company **once**. In order to arrange this, Eduvolve customers should contact the company directly via: help@eduvolve.ie or by calling 091 435 232, and Wriggle customers should contact the FCJ office.

Any student that is going from 3rd year directly to 5th year and needs to purchase a Chromebook, can do so with either company. Where a family are required to purchase more than one device, but across different year groups, they can purchase both from one company, and can call the school with any query in relation to the same.

Reminder, that in all instances, when a student leaves the school, devices are removed from the school's managed Google Admin Console, and restored to factory settings. This is to say, that they are fully reset, and all restrictions and links to the school system are removed, so they are then student's own personal devices to take to college, use at home, etc.
